Guidelines on Refund of Earnest Money Deposit under Integrated e-Procurement

- CHiPS have already integrated the online Payment Gateway for the Collection/Refund of the Online EMD through Integrated e-Procurement system.
- To make departments familiar with the above process of online submission/refund of EMD, CHiPS had already Conducted the Multiple Training session and shared user manuals (also available in the portal) .
- All the EMD collected during online tendering Process will be refunded by Respective Departments Officials only. CHiPS do not have any intervention on such process.

EMD Refund process for unsuccessful Bidders is as given below:-

- 1) The tender owner/department admin to initiate the EMD remittance/Refund process for unsuccessful bidders after opening/evaluation for PQ/Technical Bid and also opening of Price Bid & confirmation of the Price bid and sent it to appropriate Department Approver.
- 2) Once Departments approver approved the refund process after verification the e-Procurement system automatically sent the instruction to bank for refund of EMD to respective bank account of the bidders as per registered details of account no. provided in the bidder profile/ registration details on Integrated e-Procurement portal.
- 3) EMD Refund MIS is already available in the e-procurement portal for Departments as well as bidder on their login to check EMD refund status . There is no need to visit CHiPS office for getting status of the EMD as it already available online on the portal.
- 4) With in 1 or 2 day after refund & approval process by department officials, the EMD amount gets credited to respective bidders account.

L1 EMD Refund process is as given below

a) Initiate L1 EMD Remittance/Refund Process:

Department will have following options for L1 Bidder's EMD remittance and refund to bidders:

- i. **L1 EMD Remittance to Department:** The tender owner/department admin will initiate the EMD remittance process for successful bidders (L1/H1) after Online contract is created & approved online using contract management module. Tender owner will have option to select appropriate bank account. .
 - ii. **L1 EMD Refund to Bidder:** The Tender owner/department admin will initiate EMD refund to L1 Bidder in its bank account already mapped in registration profile. In such cases department may initiate refund only after receiving of Performance Bank Guarantee as required in appropriate format while online contract is approved.
- All the activities related Refund process will be carried out by respective tender owner of the departments in order to ensure no manual intervention in EMD Refund/Remittance Process.
 - Further if Department user/bidders face any difficulties regarding EMD refund then Integrated e-Procurement Help Desk is reachable on 1800-419-9140 for support/assistance in this regard.
 - Departments are requested to resolve the EMD related matter at their end, CHiPS will not directly entertain the bidders.
 - If any technical difficulty faced by the departments officials then inform the CHiPS via mail or telephonically with proper details in this regard.
