50 Scenario-Based User Acceptance Test Report - Store Purchase Rules, GFR, CVC, Evaluation and Portal Operations

Scope and evidence

This report records the exact 50 scenarios supplied for the CG e-Procurement chatbot. The benchmark was executed against the local production API after the latest routing, context and deterministic policy-answer repairs. Expected actor, fine intent, answer mode, source documents, evidence concepts, required concepts and prohibited claims come from the frozen scenario dataset. The detailed raw evidence is preserved in the linked JSON and CSV files.

Category	Value
Actor accuracy	48.0%
Fine-intent accuracy	30.0%
Answer-mode accuracy	66.0%
Expected source in top 10	58.0%
Expected source in final context	48.0%
Citation-set accuracy	100.0%
Language consistency	70.0%
Pass / Partial / Fail	0 / 28 / 22
Latency (average / median / p95 / max)	3.719s / 3.306s / 6.513s / 8.338s

Interpretation: citation-set accuracy is a structural metric only - it confirms that displayed sources were among the retrieved/context sources. It does not establish that the source was the correct legal authority. The runner did not persist Sarvam generation diagnostics in this benchmark, so a numeric fallback count is not asserted here.

Failure clusters

Cluster	Evidence
Actor boundary failures	26 queries defaulted to or were routed as the wrong actor, especially department-policy questions that lacked explicit role words.
Fine-intent failures	35 queries did not reach the expected fine intent; many became unknown or were routed to a neighbouring workflow.
Retrieval/source coverage	Expected source evidence appeared in the top 10 for 58% of cases and in final context for 48%.
Answer-mode failures	17 questions received a generic direct answer instead of restriction, comparison, policy or portal-specific mode.
Language consistency	15 answers did not match the expected English, Hindi or Hinglish response language.
High-risk policy synthesis	Emergency procurement, turnover, L2 award, tied L1, local service centre, BOQ and portal troubleshooting need stronger source contracts.

Per-question evidence report

Each scenario below includes the expected contract, detected routing, retrieved and final sources, the complete generated answer, citation status, latency, verdict and a primary diagnostic cause. Top-10 chunk text, page/section metadata and scores are preserved in the JSON evidence file.

Final answer

Based on the provided documents, there is no information about a short-term tender notice of 2 days being issued under CG procurement regulations. The documents mention standard tender periods (15, 21, 30, and 45 days) and a general recommendation to shorten decision periods to 60 days, but do not specify any provision for a 2-day tender notice.

Prohibited / unsafe claims open tender comparison only; vendor-side instructions; unqualified yes	Concept hits / misses hits: []; misses: ['allowed circumstances', 'publication requirement', 'recorded justification']
Response time 6.039 seconds	Primary root cause Fine-intent classification failure

Final answer

Based on the provided documents, a department can issue a limited tender without publishing a Notice Inviting Tender (NIT) in local newspapers under the following circumstances:

1. **Single Manufacturer Procurement**: When the procurement involves goods or materials that can only be sourced from a single manufacturer, the department is exempted from the mandatory e-publishing requirement. This exemption requires approval from the Secretary of the Ministry/Department with the concurrence of the concerned Financial Advisor. For Autonomous and Statutory Bodies, approval from the Head of the Body with the Head of Finance's concurrence is needed.
2. **Limited Tender Process**: For procurements up to Rs. 50 Lakhs, the department can use the limited tender enquiry method. In this case, copies of the bidding document are sent directly to firms on the registered suppliers list for the specific goods, rather than publishing a public NIT.
3. **National Security Grounds**: Cases involving national security may be exempted from mandatory e-publishing, though this requires high-level approvals as specified above.

The documents also note that for limited tenders, the NIT may still be uploaded on the CPPP Portal and the Procuring Entity's website with a specific note indicating it's for information only and participation is by invitation only.

Prohibited / unsafe claims assuming works without basis; portal steps; invented threshold	Concept hits / misses hits: []; misses: ['which rule family applies', 'why', 'value/context dependency']
Response time 4.305 seconds	Primary root cause Fine-intent classification failure

Final answer

₹15 lakh ke networking project ke liye Limited Tender Enquiry rule apply hoga.

Context ke according, Rule 162 Limited Tender Enquiry tab adopt kiya ja sakta hai jab goods ki estimated value up to ₹50 lakh ho. Aapka project ₹15 lakh ka hai, jo is limit ke andar aata hai. Isliye, aapko Limited Tender Enquiry method use karna chahiye.

Iske liye, aapko registered suppliers ki list se bidding document directly speed post, registered post, courier ya e-mail ke through bhejna hoga.

Response time 3.277 seconds	Primary root cause Fine-intent classification failure

Final answer

Based on the provided documents, the Chhattisgarh store purchase rules do not explicitly mention purchasing items directly from cooperative societies or public sector undertakings, nor do they specify any value limit for such purchases. The rules primarily focus on procurement through tenders, with specific provisions for items available on GeM or e-standard portals. For items not covered under these categories, the general tender process under the relevant GFR rule applies. There is no information in the context regarding direct purchases from cooperative societies or PSUs or any associated value limits.

Final answer

Aapke office ke liye annual maintenance services ka budget calculate karne ke liye, aapko tender enquiry document mein maintenance services ke details, required period, aur payment terms ko include karna hoga. Budget estimate ke liye, aapko Consolidated Fund se hone wale expenditure ko consider karna hoga, jismein revenue aur capital account dono shaamil hain.

Maintenance services ke liye budget estimate calculate karne ke steps:

1. ****Service Details Define Karein:**** Maintenance services ke liye required details, maintenance period, aur relevant terms & conditions ko tender document mein incorporate karein.
2. ****Payment Terms Set Karein:**** Payment terms decide karein, jo generally half-yearly ya quarterly basis par hote hain.
3. ****Budget Estimate Prepare Karein:**** Financial Adviser ko detailed estimates aur supporting data provide karein. Revised Estimates current year ke liye frame karne ke baad hi next year ka estimate banana chahiye.
4. ****Consolidated Fund Expenditure Consider Karein:**** Budget estimate mein revenue aur capital account expenditure ko separate categories mein dikhana hoga.

Iske alawa, agar maintenance contract complex hai, toh Service Level Agreement (SLA) bhi incorporate kiya ja sakta hai, jismein uptime percentage, performance output levels, aur response time jaise parameters shaamil hote hain.

Final answer

Based on the provided documents, GFR Rule 144(xi) is mentioned in the context of the Manual for Procurement of Goods 2024, but the specific details of this rule are not included in the available excerpts. The documents do not contain information about whether this rule applies to state-level sub-contracts.

The available context includes:

- A reference to Rule 144(xi) GFR 2017 in the Manual for Procurement of Goods 2024
- Model clauses for tenders that mention restrictions on bidders from countries sharing land borders with India
- Various procurement rules and procedures

However, none of these sources explicitly address the application of GFR Rule 144(xi) to state-level sub-contracts. The Model Clauses section does provide definitions for "Bidder from a country which shares a land border with India" but does not specify the scope of application to sub-contracts.

Final answer

Aapke project ka administrative approval mil gaya hai, toh actual purchase se pehle final financial sanction ke liye aapko Competent Authority se lena chahiye. Yeh authority vahi hai jo procurement ke value ke hisaab se approve karne ki power rakhti hai.

Context ke according, procurement ke various stages par written approval lena zaroori hai, jismein final financial sanction aur contract award shaamil hai. Yeh approval Competent Authority se hi lena hoga.

Emergency me COVID test kits kharidne ke liye bina competitive bidding ke, आपको GFR के 'Limited Tender Enquiry' rule के under justify करना होगा. Yeh rule tab adopt kiya जाता है जब goods की estimated value कम हो या कोई specific situation हो जहाँ open tender possible ना हो.

Iske alawa, अगर procurement value कम है तो 'Store Purchase Rules' भी apply हो सकते हैं, जहाँ direct purchase की जा सकती है. लेकिन COVID test kits जैसे critical items के liye 'Limited Tender Enquiry' ही सबसे relevant justification है.

उपलब्ध दस्तावेजों के आधार पर, प्रशासनिक स्वीकृति के बिना नविदा प्रक्रिया प्रारंभ करने के संबंध में कोई जानकारी नहीं दी गई है।

दस्तावेज नमूने/लिखित प्रक्रियाओं का विवरण देते हैं:
- कोरिजेंडम (Corrigendum) जारी करने की प्रक्रिया
- बोली (Bid) जमा करने की प्रक्रिया
- EMD (ईमानदारी राशि) वापसी की प्रक्रिया

इनमें से किसी भी दस्तावेज में प्रशासनिक स्वीकृति के बिना नविदा प्रक्रिया शुरू करने के बारे में कोई उल्लेख नहीं है।

Final answer

Based on the provided documents, the CVC guidelines on the validity and extension of bank guarantees submitted as performance security are as follows:

Each ministry or department must establish a suitable mechanism for the safe custody and monitoring of EMDs, performance securities, and other instruments. This includes making institutional arrangements to take timely actions for the extension, encashment, or refund of these securities.

Monitoring should involve a monthly review of all bank guarantees and other instruments that are set to expire within the next three months, along with a review of the progress of the corresponding contracts.

If an extension is warranted, it should be sought immediately and implemented within the validity period of the bank guarantee. The bank guarantee should never be handed over to the contractor for the purpose of extending its validity.

For the release of bank guarantees, the proposal must be forwarded by the executing agency with its recommendations, in accordance with the contract conditions, for approval by the Chief Accounts Officer (CA) with the concurrence of the Finance Division.

A system for monitoring these securities and instruments may be computerized, with automatic alerts for the lapse of validity.

Single tender invite karne par agar sirf wahi purana vendor response kare, to uski rate direct accept nahi kar sakte. General Financial Rules ke according, single source se procurement sirf specific circumstances mein hi ki ja sakti hai. Agar sirf ek hi firm manufacturer hai to bhi equal opportunity dena zaroori hai. Corrigendum ke liye portal par bid dates modify kar sakte hain, lekin direct rate acceptance allowed nahi hai.

Final answer

सीवीसी (CVC) नरिदेशों के अनुसार, नविदि में 'Negotiations' (वार्ता) केवल न्यूनतम बोलीदाता (L1) के साथ ही की जा सकती है ताकि खरीद प्रक्रिया में पारदर्शिता, नष्पिक्कता और भ्रष्टाचार पर रोक सुनिश्चित की जा सके। यह नरिदेश 18/11/98 को जारी किया गया था, जिसका मुख्य उद्देश्य नविदि के बाद होने वाली अनुचित वार्ताओं को रोकना है।

इसके मुख्य कारण नमिलखित हैं:

1. **खरीद में नष्पिक्कता**: L1 (न्यूनतम बोलीदाता) के साथ वार्ता करने से यह सुनिश्चित होता है कि सरकार को सर्वोत्तम मूल्य प्राप्त हो। यदि अन्य बोलीदाताओं के साथ भी वार्ता की जाए, तो यह प्रक्रिया पक्षपातपूर्ण हो सकती है।
2. **सार्वजनिक क्षेत्र की प्राथमिकता**: सरकार की एक नीति है कि सार्वजनिक क्षेत्र के उपक्रमों को प्राथमिकता दी जाए। L1 के साथ वार्ता इस नीति को लागू करने में सहायक होती है, क्योंकि यह सुनिश्चित करता है कि न्यूनतम लागत पर कार्य संपन्न हो।
3. **अनुचित प्रथाओं पर रोक**: कुछ संगठन सार्वजनिक क्षेत्र का उपयोग महंगे इनपुट प्राप्त करने या अनुचित खरीद के लिए एक माध्यम के रूप में करते हैं। L1 तक वार्ता सीमित करने से ऐसी गतिविधियों पर अंकुश लगता है।
4. **पारदर्शिता**: जब मात्रा (quantity) L1 की क्षमता से अधिक हो, तो उसे नष्पिक्क और पारदर्शी तरीके से वितरित किया जा सकता है, जिससे किसी भी प्रकार के भेदभाव की गुंजाइश नहीं रहती।
5. **कार्टेल (Cartel) की रोकथाम**: यदि कार्टेल या पूल दरों का संदेह हो, तो केवल L1 के साथ वार्ता करने से अन्य बोलीदाताओं के बीच मलीभगत को रोका जा सकता है।
6. **आपातकालीन स्थिति**: अत्यंत आवश्यक आवश्यकताओं के मामले में, जहाँ पुनः नविदि (re-tender) में देरी से कार्य प्रभावित हो सकता हो, L1 के साथ न्यूनतम मात्रा के लिए वार्ता की जा सकती है, लेकिन शेष कार्य के लिए पुनः नविदि अनिवार्य है।

ये नरिदेश उन नविदिओं पर लागू होते हैं जहाँ सरकार भुगतान करती है, जैसे कि कार्य आपूर्ति आदेश। यदि सरकार सामग्री बेच रही है, तो वार्ता उच्चतम बोलीदाता (H1) के साथ की जा सकती है।

Final answer

हाँ, किसी नविदा में नविदाकारों के लिए न्यूनतम वार्षिक टर्नओवर (Minimum Annual Turnover) का मानदंड रखना अनिवार्य है।

मैन्युअल फॉर प्रोक्योरमेंट ऑफ वर्क्स 2019 के अनुसार, नविदाकारों के लिए सामान्य नरिमाण अनुभव (General Construction Experience) के अंतर्गत न्यूनतम वार्षिक टर्नओवर की आवश्यकता होती है। आवेदक को पछिले पांच से सात वर्षों में से किसी भी वर्ष में किए गए सामान्य नरिमाण कार्यों का न्यूनतम वार्षिक मूल्य प्राप्त करना चाहिए, जिसका कम से कम 50 प्रतिशत हिस्सा इंजीनियरिंग (सिविल/इलेक्ट्रिकल/मैकेनिकल) नरिमाण कार्यों से होना चाहिए।

इसके अतिरिक्त, 'मैन्युअल फॉर प्रोक्योरमेंट' में भी वार्षिक टर्नओवर को एक अनिवार्य अर्हक कारक (Qualifying Factor) के रूप में सूचीबद्ध किया गया है, जिसे नविदाकारों को सामूहिक रूप से पूरा करना होता है।

Final answer

नहीं, नविदा शुरू होने के बाद किसी एक नविदाकार के अनुरोध पर अर्हता शर्तों को शथिल नहीं किया जा सकता।

पूर्व अर्हता का उद्देश्य प्रापण प्रक्रिया के प्रारंभिक चरण में ही तकनीकी और वित्तीय क्षमता एवं सामर्थ्य वाले सूक्ष्म संवर्धितों का चयन करना है। आयोग ने पूर्व अर्हता पात्रता मानदंड तैयार करने के लिए दिशानिर्देश जारी किए हैं कि इसे इस प्रकार से तैयार किया जाए कि उचित प्रतिस्पर्धा के उद्देश्य को प्राप्त करने के लिए येनतो अधिक कठोर हों और न ही अत्यधिक शथिल किए।

उच्च मूल्य वाली परियोजनाओं के गहन परीक्षण के दौरान पाई गई कुछ अनियमितताएं नमिनानुसार हैं:

- कठोर पात्रता मानदंड जिसके परिणामस्वरूप संभावित बोलीदाताओं के लिए प्रवेश में अवरोध और कमजोर प्रतिस्पर्धा
- मूल्यांकन मानदंड बोलीदाताओं के समुच्च अद्युचित नहीं गए जिससे बोली लगाने की प्रक्रिया को अपारदर्शी बना दिया गया
- मूल्यांकन के दौरान पात्रता मानदंडों को परिवर्तित किया गया / इसमें छूट दी गई जिससे कुछ चुने हुए लोगों का पक्ष लिया गया और सूक्ष्म लोगों के साथ भेदभाव किया गया

इस प्रकार, नविदा शुरू होने के बाद किसी एक नविदाकार के लिए अर्हता शर्तों को बदलना या उनमें छूट देना अनुचित माना जाता है और यह प्रापण प्रक्रिया की पारदर्शिता और निष्पक्षता के विरुद्ध है।

Final answer

Based on the provided documents, there is no specific information on how to handle a bid where the MSME certificate is valid but does not cover the specific category of items being procured. The documents discuss bid security requirements and the classification of suppliers for purchase preference, but do not address this particular scenario regarding MSME certificate coverage.

नहीं, यदि बोलीदाता ने केवल स्व-सत्यापित (self-attested) प्रतियां दी हैं और मूल दस्तावेज अपलोड नहीं किए हैं, तो वह बोली स्वीकार्य नहीं है।

सार्वजनिक खरीद नियमावली (Public Procurement Manual) के अनुसार, बोली सुरक्षा (Bid Security) के लिए मूल दस्तावेज का स्व-सत्यापित स्कैन अपलोड करना अनिवार्य है। यदि कोई बोलीदाता इन प्रावधानों का पालन नहीं करता है, तो उसकी बोली को अस्वीकार कर दिया जाएगा।

Final answer

आपके सवाल का जवाब: Department laptop specification में screen resolution exact 1920x1080 px लिख सकता है या ranges देना zaroori है?

Context में ऐसा कोई specific rule नहीं है जो laptop screen resolution के लिए exact pixel या range की requirement बताता हो। Store Purchase Rules और GFR documents में general procurement guidelines दी गई हैं, लेकिन technical specifications के लिए exact या range format का कोई mention नहीं है।

इसलिए, department अपनी requirement के हिसाब से exact 1920x1080 px लिख सकता है या ranges भी दे सकता है, क्योंकि context में कोई specific restriction नहीं है।

Final answer

□ Answer Check the delivery schedule and delay/remedy clauses in the Purchase Order or contract first. Record the delay, notify the supplier and obtain the supplier's explanation. Any extension, remedy, damages, cancellation or other action must follow the Purchase Order, applicable rules and competent approval. Do not treat delayed or non-conforming goods as accepted, and do not release payment until the required inspection and acceptance conditions are met. □ Source: Manual for Procurement of Goods 2024; Public Procurement Manual; General Financial Rules

Java error aaye to browser settings me changes karne ke liye ye steps follow karein:

- Java Runtime Environment (JRE) install karein:**
 - Internet Explorer open karein
 - eproc.cgstate.gov.in par jayein
 - Download -> Java -> Java Runtime Environment -> Download par click karein
 - Portal ke liye JRE version 8.77 (1.8.0_77) zaroori hai
 - System par sirf ek Java version hi installed rakhein
- Regional & Language Format Settings check karein:**
 - Portal ke settings me jaake regional format verify karein
 - Date aur time format sahi set karein
- Browser compatibility:**
 - Internet Explorer ka latest version use karein
 - Cache aur cookies clear karein
 - Browser restart karein
- DSC verification ke liye:**
 - 'Select Certificate' dialog box me apna DSC select karein
 - Certificate Name, Serial No, Issuer Name aur Validity Date check karein
 - OK button par click karein

Agar problem solve nahi hoti to browser settings reset karein ya different browser try karein.

Final answer

नहीं, नविदिा जमा करने की अंतिम तिथि समाप्त होने के बाद बोलीदाता अपने दस्तावेज संशोधित नहीं कर सकता।

मैन्युअल फॉर प्रोक्चोरमेंट ऑफ वर्क्स 2019 के अनुसार, यदि नविदिा दस्तावेज में कोई संशोधन या स्पष्टीकरण जारी किया जाता है, तो बोलीदाता को उस संशोधन को ध्यान में रखते हुए अपनी बोली जमा करने के लिए समय सीमा बढ़ाई जा सकती है। लेकिन यह वस्तुतः केवल नविदिा जमा करने की अंतिम तिथि से पहले ही दिया जा सकता है।

इसके अलावा, यदि नविदिा दस्तावेज में कोई ऐसा संशोधन किया जाता है जो नविदिा की अनिवार्य शर्तों को प्रभावित करता है, तो बोलीदाता को अपनी बोली संशोधित करने या वापस लेने का अवसर दिया जाता है, लेकिन यह भी केवल नविदिा जमा करने की अंतिम तिथि या उसके लिए दिए गए वस्तुतः समय के भीतर ही संभव है।

अंतिम तिथि समाप्त होने के बाद कोई भी संशोधन या वापसी स्वीकार नहीं की जाती है।

Final answer

Based on the provided documents, the EMD refund process for unsuccessful bidders is initiated automatically by the e-Procurement system after the Department Approver approves the refund process. The system then sends an instruction to the bank for the refund. The EMD amount typically gets credited to the respective bidder's account within 1 to 2 days after the refund and approval process by department officials.

Final answer

Technical opener ko portal par bid decrypt karne ke liye personal Class-III DSC check karna mandatory hota hai kyunki yeh ek secure authentication process hai. DSC (Digital Signature Certificate) ka use karke technical opener apni identity verify karta hai aur bid ko access karne ke liye authorized hota hai. Yeh process ensure karta hai ki sirf authorized personnel hi bid details dekh sakein, jisse security aur confidentiality bani rehti hai.

Final answer

हाँ, शुद्धपत्र (Corrigendum) जारी करने पर नविदा जमा करने की अंतिम तिथि को बढ़ाना अनिवार्य है, यदि स्पष्टीकरण या संशोधन से नविदा की आवश्यक शर्तों पर महत्वपूर्ण प्रभाव पड़ता है।

इसके लिए नमिनलखिति प्रक्रिया का पालन किया जाता है:

- यदि नविदा दस्तावेज़ में कोई स्पष्टीकरण या संशोधन जारी किया जाता है, तो नविदा आमंत्रित करने वाली इकाई को नविदा जमा करने की अंतिम तिथि बढ़ानी चाहिए।
- यह वसितार तब आवश्यक होता है जब नविदादाता को संशोधन को ध्यान में रखते हुए अपनी नविदा को संशोधित करने या पुनः जमा करने के लिए अधिक समय की आवश्यकता हो।
- यह वसितार मूल रूप से निर्धारित समय सीमा या संशोधित समय सीमा के भीतर किया जा सकता है।

यदि ई-प्रोक्योरमेंट सिस्टम (e-Procurement system) किसी कारण से वफ़िल हो जाता है, तो सिस्टम एडमिनिस्ट्रेटर टेंडर इनवाइटिंग अथॉरिटी (Tender Inviting Authority) के परामर्श से नविदा जमा करने की समय सीमा को 24, 48 या 72 घंटे तक बढ़ा सकता है और इसके लिए एक प्रशासनिक शुद्धपत्र (Administrative Corrigendum) जारी किया जाता है।

Final answer

Based on the provided documents, the procedure for submitting EMD via NEFT/RTGS challan is detailed in the EMD Challan Payment Manual. Here's the process:

1. ****Access the Portal:**** The bidder must log in to the e-Procurement system using their User ID and Password.
2. ****Navigate to EMD Payment:**** The payment gateway for EMD/Bid Security is online. The manual specifies that payment can be made via CHALLAN.
3. ****Generate the Challan:**** The system will generate a challan for the EMD amount. The payment mode is specified as "INTERNET BANKING" and the currency as "DEBIT/CREDIT - CARD".
4. ****Make the Payment:**** The bidder must use the generated challan to make the payment through their bank's NEFT/RTGS facility.
5. ****Verify Payment Status:**** After making the payment, the bidder must check the e-Procurement system to ensure the payment status shows as "SUCCESS".
6. ****Submit the Bid:**** Only after the payment status is confirmed as successful in the system will the bidder be allowed to submit their bid.

The manual also notes that the eChallan for EMD/Bid Security payment was valid until "31-10-2018 05:50" Hrs.

Final answer

Agar aapko commercial schedule (BOQ.xls) fill karte waqt formula modification error aa raha hai, to aapko ye steps follow karne chahiye:

1. ****BOQ Excel format download karein**:** Pehle aapko "Add Tender Item Corrigendum" option se BOQ Excel format download karna hoga.
2. ****Prescribed format mein modify karein**:** Downloaded file mein aapko sirf prescribed format ke according hi information modify karni hai.
3. ****Modified file upload karein**:** Apne modified file ko browse karke upload karein.
4. ****Save aur complete karein**:** Save aur complete karne ke baad system aapka item corrigendum process kar dega.

Ek important baat dhyaan mein rakhein ki item corrigendum publish karne se pehle submitted bid delete ho jaati hai, isliye aapko carefully check karna chahiye ki aapka BOQ sahi format mein hai ya nahi.

Evidence files and limitations

Raw benchmark evidence: C:\Users\HP\Desktop\E-PROC-CHATBOT_ANTI_GRAVITY\eval\scenario_50\results.json. CSV export: C:\Users\HP\Desktop\E-PROC-CHATBOT_ANTI_GRAVITY\eval\scenario_50\results.csv. The evaluator records the retrieved top-10 sources and final-context source list, but it does not persist each chunk's page/section/semantic/hybrid score in the CSV; those details are available in the context_results field of the JSON. Citation accuracy is structural source-set membership, not legal-source adjudication. The benchmark also does not retain provider fallback diagnostics, so fallback frequency requires a subsequent runner update before it can be used as a release metric.
